SUMMER TERM

19/06/2023 - 23/06/2023

WEEKLY HIGHLIGHTS

As seen above, this week Purple class have been learning about how to look after cars. They have been putting this into practice with some of the school vehicles!

SOCIAL DEVELOPMENT

Our pupils have recently been informed of their new class groups for the next academic year. This can be challenging for many of our pupils, therefore we held a transition day where new class teams spent a morning together, getting to know each other and engaging in nuture based activities together as a new class.

MORAL DEVELOPMENT

At Acorn school we encourage restorative practice with our pupils. This could be; making a card apologising to someone or even helping to fix something that is broken.

Restorative practice gives pupils a chance to reflect on something that may have happened and move forward from it.

SPIRITUAL DEVELOPMENT

Green shoots gives our pupils an opportunity to develop some of their specific interests.

One pupil in Blue class loves flags and uses his green shoots time to research about different flags and even create some of his own.

CULTURAL DEVELOPMENT

This month is LGBT Pride month. We have been using PSHE lessons to discuss what this means with our pupils.

We've been looking at it's history and having discussions around tackling hate towards the LGBT community.
