WEEKLY NEWSLETTER

SUMMER TERM

03/07/23 - 07/07/23

WEEKLY HIGHLIGHTS

This week some of our pupils participated in a pupil vs staff football match. (Top photo)

Many of our pupils have enjoyed going on trips to the Eden Project this week. These trips have been lead by our science teacher and has been a great opportunity to learn about plants. (Bottom photos)

SOCIAL DEVELOPMENT

Many of our trips create a great opportunity for our pupils to work on their social interactions.

Blue class visit a local café each week, they have learnt how to place orders and how to communicate clearly and politely to the staff at the café.

We have many great examples of when pupils have gone above and beyond to help others when out in public, showing a great social awareness.

MORAL DEVELOPMENT

Each Friday at Acorn we have a celebration assembly. During this, awards are given to pupils for a number of different reasons.

HEART awards can be given when a pupil has shown a quality of; honesty, empathy, aspiration, respect or teamwork.

Achievement awards can be given when pupils have completed an excellent piece of work.

SPIRITUAL DEVELOPMENT

Within the lower school area of Acorn school we have a room called the 'Heart Hive', this room is set up with comfy beanbags and sensory lights.

The Heart Hive is a space used to repair friendships and boost resilience in our pupils.

It is also an amazing sensory space that can be used when pupils need some time and space.

CULTURAL DEVELOPMENT

During the class trips to the Eden project this week pupils have been learning about life cycles and sustainability goals.

Learning about sustainability gives our pupils an understanding of the importance of maintaining our quality of life on Earth, by being good stewards of where we live.

WE'RE PROUD OF YOU!

GOOD SCHOOL FOOD
AWARDS
♡JAMIE OLIVER

CERTIFICATE OF EXCELLENCE

I am honoured to name you a Jamie Oliver Good School Food Awards
SHORTLIST STAR!

This has been awarded to you in recognition that, in a field of very strong competition, you made it to our shortlist. The brilliant work you do every day to ensure the children in your school are being fed delicious, nutritious food is hugely inspiring. I wanted to say a huge thank you – and keep going! My team and I are right behind you.

Big love

Jamie

Jamie Oliver

Awarded in June 2023
