WEEKLY HIGHLIGHTS

We are so proud of all of our pupils who have completed and passed their Maths and English exams recently. Here are just some of them who received awards for their incredible achievements! (top photo)

Blue class enjoyed creating a prototype Mars rover during their English after learning all about Mars. (bottom photo)

SOCIAL DEVELOPMENT

At Acorn school we have four pupil mentors, these are pupils who have been chosen to be representatives for the school.

They are expected to be good role models for other pupils by setting a good example of helping others, being hardworking, spreading kindness and working as a team.

MORAL DEVELOPMENT

Throughout the week at Acorn School pupils have the opportunity to earn points. These points can be earnt for a number of different things, including completing learning tasks, being kind to others and helping others.

These points can then be spend in the school shop on a Friday, some pupils buy things already stocked in the school shop, others choose to save up their points to buy specific items that they have picked out themselves.

SPIRITUAL DEVELOPMENT

This week we have welcomed a new pupil to Acorn School, we love having new pupils join us!

This has been a great opportunity for new friendships to be formed. Creating new friendships is a very important skill to have for our pupils and something that can be tricky. We have been blown away by how well everyone has included our new pupil and made them feel so welcomed!

CULTURAL DEVELOPMENT

During topic lessons this half term our pupils have been learning about Britain during World War 1 and World War 2.

Pupils have been learning how the wars shaped the way that we now live in Britain. This included the introduction of council housing, the NHS and free school meals.

Guess who!

Here we have a super kind and caring pupil who took it upon themselves to make a cake and a card for a poorly member of our team!

But who could it be?
