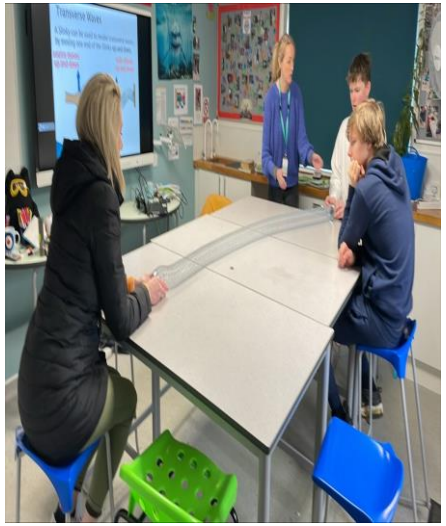
LIFE AT SCHOOL THIS WEEK!



Monday

Monday Mathematics

Each week our pupils use a range of resources to help them build their skills. This week lime class have been testing their recall speeds on their class laptops.

Tuesday

Tastebud Tuesday

Each pupil is enrolled on an ASDAN Foodwise qualification. Part of this involves researching nutritious recipes and data. Josh used his laptop to calculate how many calories different people needed each day to remain healthy.

Wednesday

Wednesday Waves

The pupils have been learning all about different types of waves in science this week.

Thursday

Stir Fry!

Also, as part of our Foodwise qualification all pupils have been learning how to make Chicken Stir Fry.

Friday

I wonder what this could be!

We all really excited to see what Mathews latest creation could be! We love to help develop our pupils' imaginations and are designing a new Creative Hub for this purpose!

CURRICULUM INFORMATION

Childrens Mental Health Champions Explained

We are very excited to share that, our pupils will have the chance to gain a valuable qualification in becoming a Childrens Mental Health Champion, Pupils will be supported through the qualification as part of their pastoral sessions. They will even get to graduate! Watch this space as we share further updates over the coming months.

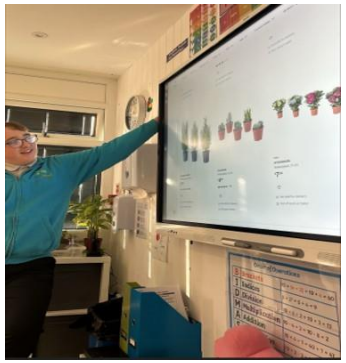
Addison has been teaching himself to skip and has been practicing daily! Well done!

Harry has been teaching Nathaniel a new game in class this week.

Keanna enjoyed spending time in the hammock at this week's Forest School!

Josh and Blake are enjoying their Muay Thai sessions – this week they focussed on wrestling!

Red class's PE starter involved a very competitive game of 'What's the Time Mr Wolf' which then extended to lots of other children in the playground!



.Archie delivered a fabulous lesson on plants to his TA today as part of his ASDAN qualification.

Harry went on a very successful 'noun hunt' around the school grounds this week as part of his English lesson!

Sebastian has enjoyed following a set of instructions to make a model aircraft as part of one of his EHCP targets,

Callum and Ajay built their own fort at Ibounce this week to build on their topic work about invasions!

DANIEL

Daniel continues to show determination with his learning and passed his NICAS Level 2 Climbing qualification this week!

INFORMATION FOR PARENTS

Emergency contact: Zoey Shelley (Head Teacher & Safeguarding Lead) 0330 135 8213 out of hours 07725406993

Do you qualify for the cost-of-living payments?

Are you receiving all you are entitled to?

Use the link below to check! If you need any support with any of the application processes, please contact our Sendco Sarah Long.

[Cost of Living Payments 2023 to 2024 - GOV.UK (www.gov.uk)]

Cold Weather!

Hopefully, the cold snap is now leaving us! But just in case, please ensure your child/ward arrives at school with clothing suitable for their designated activities. Some of our pupils have been left disappointed this week as we have been unable to allow them offsite due to only wearing a t-shirt in -3 degrees!

Pets Corner!

Jacob shared this lovely picture of his pet dog Wolfy this week…isn't he cute!

We love to see your pets, please keep sharing them!

Words of the Week!

Can they use their Word of the Week at home?
