LIFE AT SCHOOL THIS WEEK!

Monday

Mathematical Mondays!

Harry worked really hard when calculating half of a number using abstract objects.

Tuesday

Tastebud Tuesdays!

Armani is continuing to develop his independent cooking skills. Well done!

Wednesday

Wonderful Wednesdays!

Daniel has worked incredibly hard on creating his own working Ukulele!

Thursday

Muay Thai Thursdays!

The pupils enjoyed the pad work session which was part of this week's lesson.

Friday

Fiddly Fingers!

Bobby persevered when working on his fine motor skills amongst the chaos of a power cut this morning!

CURRICULUM INFORMATION

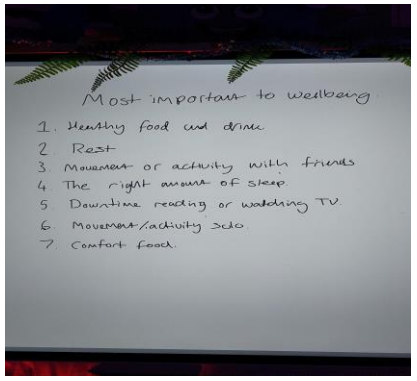
Reading Curriculum Explained

Reading is an important skill for children to develop in life. At Acorn we work hard to develop a love of reading through our reading scheme and themed days (don't forget World Book Day!)

All pupils at Acorn engage in reading at some point in their school day, daily. We'd love to see if you can catch them reading at home!

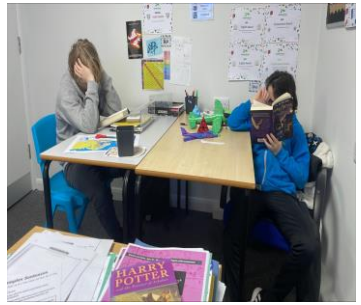
Oakley worked exceptionally hard on his maths this week, calculating fractions is not easy!

In PSHE the pupils discussed how they can keep themselves healthy.



Mathew worked hard to match the different fractions and did not give up until he got them all correct!

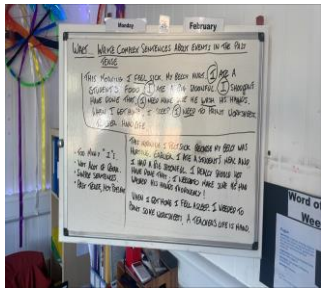
Lyra and Sebastian are still engrossed in their stories and are still opting to read over their break times.



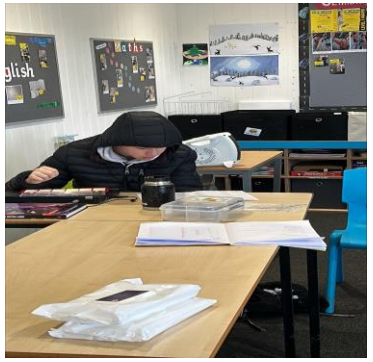
Nathaniel and Mason have been working as a team to create this wooden house – we can't wait to see it finished!

.Archie (our school Ranger) is working hard on our pond area and has even set up a school sunflower competition.

Charlie continued to develop his love of cookery at Tineke Cooking School.



Purple class have been working hard to understand 'tense' within their writing work this week.



Josh continues to work hard in his English lessons daily and is really noticing how much he is improving by persevering!

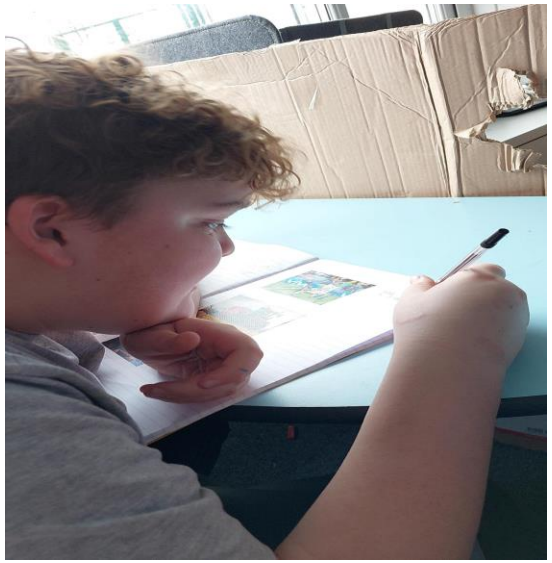
Josh continues to be a kind friend, work hard and be a model Acorn pupil. Well done Josh we are very proud,

INFORMATION FOR PARENTS

Emergency contact: Zoey Shelley (Head Teacher & Safeguarding Lead) 0330 135 8213 out of hours 07725406993

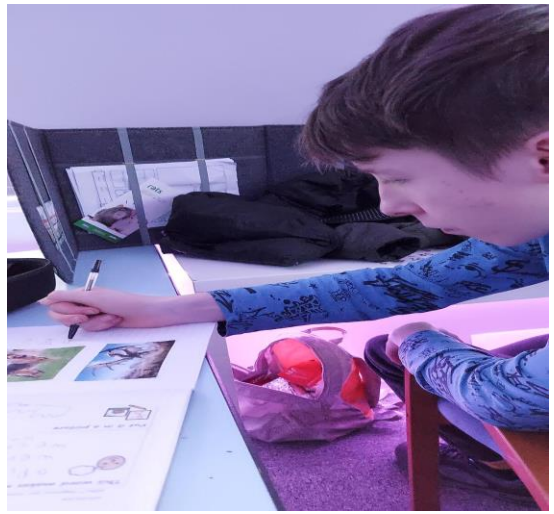
World Book Day!

You will have received a separate email about World Book Day – but as a reminder it is on the 7th March 2024.



Thank you!

Thank you to all of the parents and carers who supported us today whilst we dealt with a huge power outage! We still do not have power now (2:45pm!) but it is promised to be fully restored in time for school on Monday.



Teacher Training

This week our teaching team worked together on building their knowledge around different methods of teaching maths to include abstract thinking. We are excited to see this become even deeper embedded within the classrooms.

Early Help

Getting help early as family is really important. Early Help supports everyone, and everything involved in family life whether that's financial challenges, mental health and wellbeing concerns or just needing someone to talk to. We are all here to help so please get in touch.
