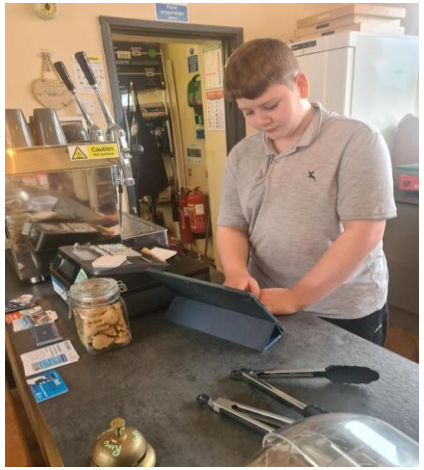
LIFE AT SCHOOL THIS WEEK!



Monday

Monday

Kyle has been learning the electronic till system at his work placement. This is not an easy system to use, but Kyle has showed exceptional levels of resilience.

Tuesday

Enjoying the outdoors

Today our children swapped stories around the campfire at Forest School. It was lovely to hear how creative they can be!

Thursday Part 1

Scientific Dome

Our children had a visit from the science dome today and enjoyed all manner of scientific experiments!

Thursday Part 2

Easter Egg Hunt

We had a whole school Easter Egg hunt today with the prize of an Easter Egg for every child and team member ;)

Last Friday

Fishy Friday

High fives all round! They caught their first fish each and on the same day! Hurray, their perseverance has paid off!

CURRICULUM INFORMATION

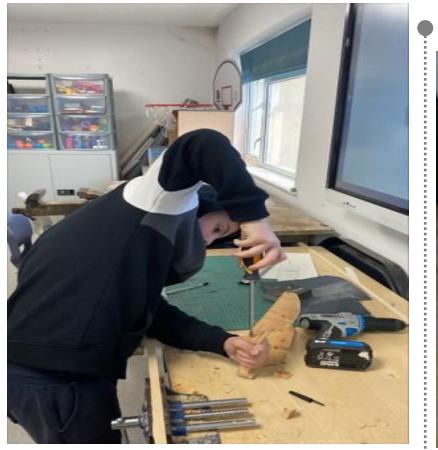
Developing our scientific curiosity

What a wonderful way to end our spring term! The Science Dome visited us for the day on Thursday to enthuse our children all about space. The children were immersed in a sensory dome and took part in lots of interesting experiments.

Teamwork makes the dream work! Armani and Ajay tidied up the library to help a friend who was having a tricky time.

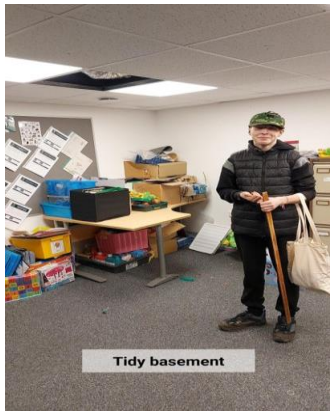
Our children contribute to the running of the school by helping with school chores! Are those Easter Eggs I spy?

Jack is continuing to work on his design and technology project – we can't wait to see it finished!



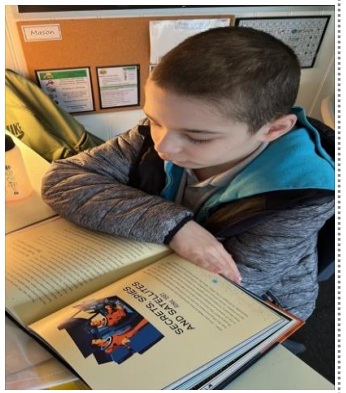
Who is that hiding in their buckets?

Garden update – look at how wonderful it looks already.



Ajay has been a star this week tidying various areas of the school and helping others.

Jacob enjoyed his final walk with Tripp today.



Mason really enjoys reading his books daily.

We've been getting in the Easter spirit and have been sharing our creations with each other this week!

Ajay continues to display our HEART values and has been keen to help lots of teams and pupils around the school this week. Thank you Ajay.

INFORMATION FOR PARENTS

Emergency contact: Zoey Shelley (Head Teacher & Safeguarding Lead) 0330 135 8213 out of hours 07725406993

Term dates

Please note we had to amend our term dates due to the National Grid shutdown in February and we are back on the **15th and not the 16th of April** as it states on our website.

Thank you and have a restful Easter!

Thank you to all our wonderful families who continue to support us!

Jayden's look of confusion sums up how we all felt having arrived at school this morning to several inches of snow!

We hope the weather is kinder to you over the coming weeks and look forward to seeing all of our children back on the 15th April!

Well done Sebastian!

Sebastian flew through his Muay Thai grading last weekend! This is an incredible achievement, Sebastian; we are all so proud of you!

Meal Vouchers

You should have all received your food vouchers for the Easter holidays. If not, please contact Wendy Miles who will be happy to reissue these for you.
