LIFE AT SCHOOL THIS WEEK!

Monday

Monday

Chestnut class had a fantastic trip on Monday as part of their RE lessons, to Buckfast Abbey.

Tuesday

Tuesday

In GCSE science, our pupils have been working on the properties of noble properties.

Wednesday

Wednesday

Cedar and Cherry class came together on Wednesday for a Forest School session. They enjoyed working together on projects and cooking their lunches.

Thursday

Wellbeing Mentor

Our newly appointed Wellbeing mentor, Ethan, helped to deliver wellbeing packs to all the pupils this week, supporting World Mental Health Day.

Friday

Friday

Cameron went to The Ark community café and foodbank on Friday to deliver the donations from the harvest festival. They were very grateful for the amazing donations.

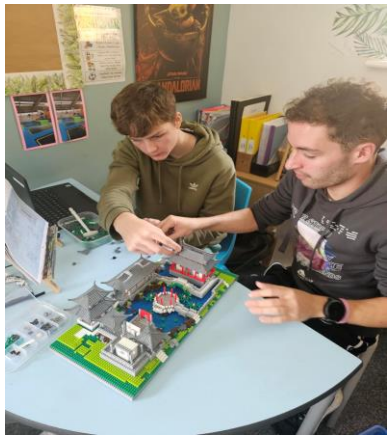
CURRICULUM INFORMATION

Destiny had a great riding lesson this week and after some animal care, they went out on a hack.

Amira has been working hard in English this week, learning all about homophones.

Harry showed great bravery at climbing this week, taking on the leap of faith.

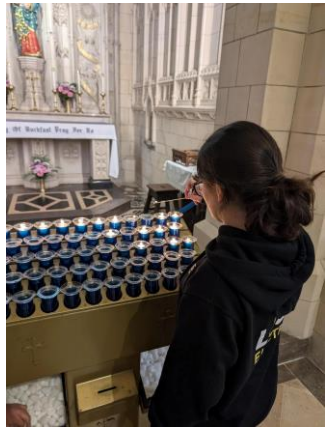
Blake has been working on a Chinese Lego garden during his nurture time this term and this week he finished it!



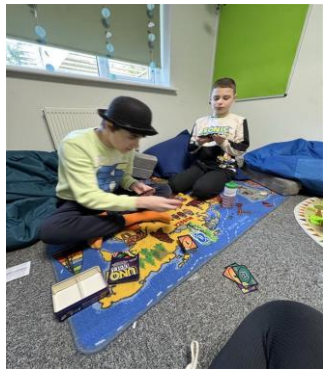
Cairo, Lucas and Mathew took time during their sensory break to meditate in the sun.

Apple class have been working hard on their maths this week, getting ready for upcoming exams.

After their visit to Buckfast Abbey, Chestnut class went to the beach in search of fossils.



Lyra took time in the Abbey to light a memory candle.



Mason and Nathaniel enjoyed some time together playing card games in our games room.

Hawthorn class have been looking at writing questions in English and forming them into sentences.

Lucas had a great time at climbing this week, exploring all the different walls and building on his climbing skills.

Amira

INFORMATION FOR PARENTS

Emergency contact: Zoey Shelley (Head Teacher & Safeguarding Lead) 0330 135 8213 out of hours 07725406993

Spooky Party

The pupils will be engaging with a spooky Halloween party next week – Halloween costumes are optional and can be changed into next Friday.

Black History Month

The pupils have been engaging in Black History month this week researching a range of texts, musical artists and inspirational individuals.

Celebrating Mental Health

We hope you enjoy your children's goody bags to support their mental health over half term! Inside the bag are fidgets, mindful colouring, and games that you can play together.

Are we missing something?

Our wonderful teams have reflective practice fortnightly with our integrated therapies team. If you think we are missing any of the subtle cues with your child please drop us an email!
