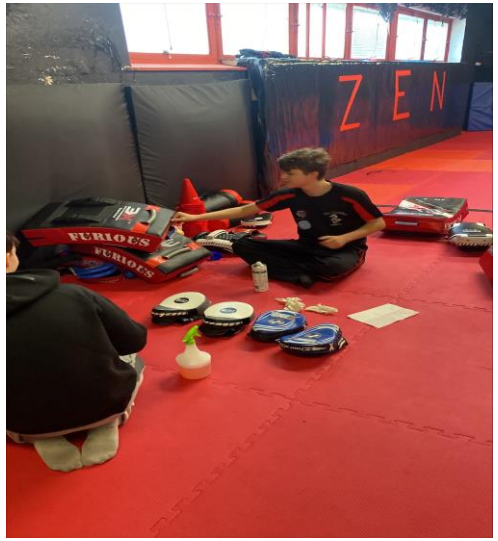
INSPIRING LEARNING

25th September 2024

LIFE AT SCHOOL THIS WEEK!



Monday

Monday

Jayden made a delicious homemade curry and naan bread at his Tineke cooking session.

Tuesday

Tuesday

Riley had a great time in Science this week looking at electrical currents and making his own circuit.

Wednesday

Work Experience

Josh has continued to thrive at his Muay Thai work experience. He has been looking at the care and upkeep of the equipment this week.

Thursday

Thursday

Freddie, our lovely therapy dog, loved his visit to Chestnut class. They took him on a walk and gave him lots of cuddles.

Friday

Friday

The team and pupils had a great time dressing up for the end of term Halloween Party!

CURRICULUM INFORMATION

Kyle made an excellent Greek dish of homemade pittas and meatballs at Tineke this week.

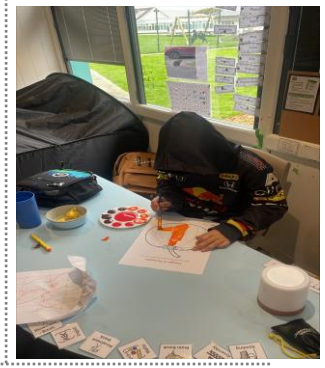
Mason took lots of care on designing and drawing a room from a view in art.

Callum had a great time this week crabbing down on Appledore Quay.

Yew class got creative at Forest school this week and produced some amazing pumpkin carvings.

Hawthorn looked at the properties of different gases during their lesson, testing out looks of fun experiments.

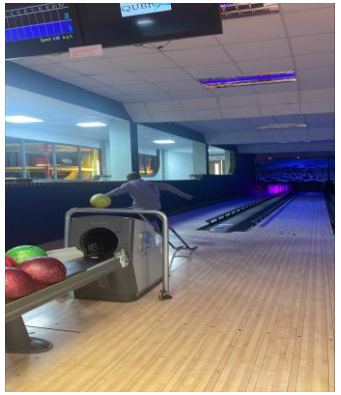
Willow class did some lovely Halloween crafts, with Harry painting a pumpkin.



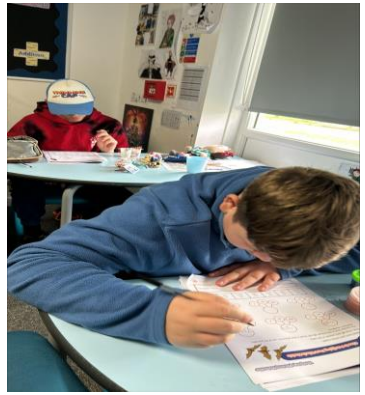
Freddie created his own water pail at Forest school this week. He tested it out on the bridge to see how much water he could collect.

Freddie enjoyed using the sandpit in the heart hive during some nurture time.

Declan worked hard solving some puzzles and brain teasers in English.



Chestnut enjoyed a fun trip bowling this week, for a special end of term ASDAN trip.



Kyle and Kenzie have been working hard during their maths lessons this week, looking at segmenting numbers.

INFORMATION FOR PARENTS

Emergency contact: Zoey Shelley (Head Teacher & Safeguarding Lead) 0330 135 8213 out of hours 07725406993

Language Matters

This week our wonderful leadership team completed their Language for Leaders course which continues to embed our therapeutic practice into our school settings. In January we will be holding a parent forum to support you in understanding how we talk to our pupils.

Thank you

As always, a HUGE thank you to our parent/career community for a wonderful half term.

We hope you have a restful half term and look forward to seeing our wonderful pupils when you are back!

Half term fun!

Crealy are having a Spook Fest over half term! Including Halloween Scare Events, mirror mazes and more!

Keeping safe online

Our pupils have had lots of assemblies on keeping themselves safe online. We have reminded all of our pupils of safe behaviours online and how unkindness is reported.
