LIFE AT SCHOOL THIS WEEK!

Monday

Monday

Chestnut class went on an excellent school trip to the Bristol Science Museum. A day exploring, learning new facts and having fun testing the different experiments.

Tuesday

Rhythm Sticks!

We were lucky enough to have Rhythm Sticks join us for another workshop. The pupils loved this and all got really stuck in to trying out the different drums.

Wednesday

Wednesday

We've been getting festive here at Acorn with many classes putting up their decorations. Nathaniel is doing a great job here decorating Cherry's.

Thursday

Thursday

Callum had a great time at woodwork and created this beautiful dog lead holder.

Friday

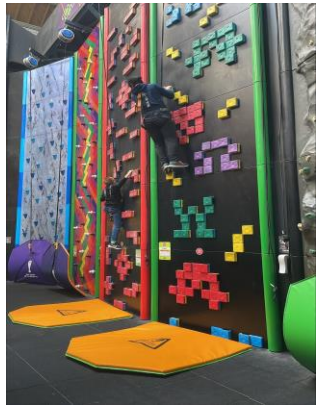
Exeter College

Last Friday the pupils had an excellent visit to Exeter College for Josh, Bailey, Rue, Rowan and Oakley! The boys came away with lots of ideas and a positive outlook on options for life after Acorn.

CURRICULUM INFORMATION

Cairo created this amazing puppet during his art lessons.

Lucas listened to Gina really well during his climbing lesson, trying new walls.



Kesha and Lyra worked together in their cooking lesson making chilli.

Addison has had a great time at his first Tineke cookery school session.

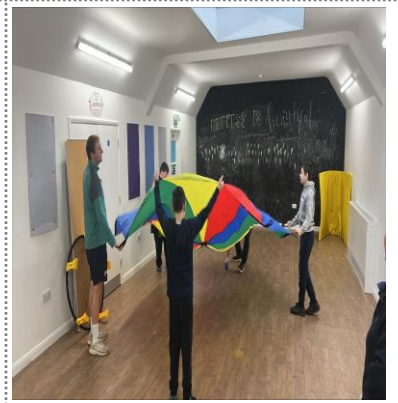
Jack has been working hard on his maths work this week, focussing on column addition.

Ronnie has been incredible in science and can now build and label an atom using the periodic table.

More highlights from Rhythm Sticks!

Nathaniel and Riley have been working hard in Science looking at elements.

Kylan and Kenzie working hard completing their English work.



Cherry class enjoying a lovely PE lesson.

Daniel

Drumming Workshop

Our pupils really enjoyed developing their musical skills this week a huge thank you to Rhythm Sticks.

Real World Of Work

We are developing our Real World of Work activities. Do you work in an interesting environment that would support a pupil visit we would love to hear from you!

Celebration of Pupils

During the Christmas Fayre our teachers will be available to talk to you and share work from this term with you.

Christmas Fayre

We can't wait to see you at the Christmas Fayre. The pupils are working hard to create beautiful products to share.
