INSPIRING LEARNING

Monday

Monday

Cherry class created a beautiful piece of collective art this week. They all used different materials to create trees and it was amazing seeing the different outcomes.

Tuesday

Tuesday

Bobby has been doing really well at his Tubers sessions, working on producing pieces of music.

Wednesday

Wednesday!

Some lovely buddy reading time between Nathaniel and Mason. Using some of their nurture time to sit and enjoy their books.

Thursday

Thursday

Our pupils who attend Devon Pathways have continued to enjoy their sessions exploring whittling and getting out in the sun.

Friday

Friday

Yew class have been looking at land formations in geography and drawing some excellent diagrams after learning about them.

CURRICULUM INFORMATION

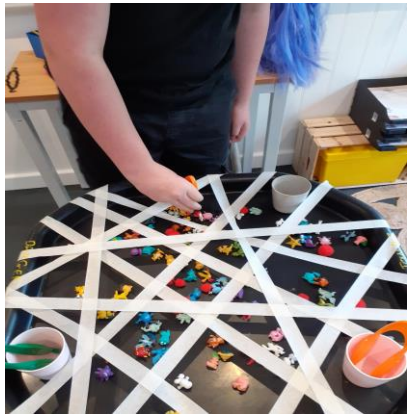
Cherry class switched things up in Fun Fit this week and tried balloon badminton. Great Fun!

Freddie and Kesha worked hard at Clip & Climb, challenging themselves with different walls.

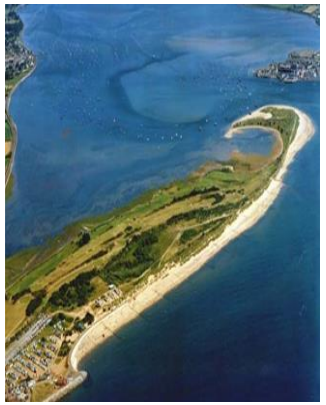
Rowan drew a valley diagram during topic.

Cedar class worked together to create some shade dens during the sunny weather this week.

Bay have worked on their fine motor skills further with activities such as tweezer animal rescue.

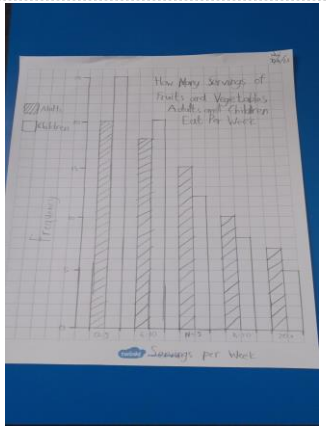


Kesha has continued to develop her animal care skills at the farm.



Our topic this term is all about coasts and oceans and as part of this several classes have been on trips to Dawlish Warren and Westward Ho! To explore their coastlines and landforms such as the pebble ridge and sand spits.

Fredie made some delicious jam roly poly whilst at Tineke.



Nathaniel has been working hard in maths and creating brilliant bar and line graphs.

Even taking the activity on a larger scale and creating them outside.

Oakley

Oakley a whopping 100% on his science exam this week! Well done!

Safeguarding

We constantly upskill our whole school on safeguarding hot topics.

Our safeguarding theme this week involved identifying child on child abuse. Here are some indicators that your child may be experiencing abuse either online or in person

- Reduction in confidence
- Big change in behaviours
- Absence
- Disengagement from activities
- Physical marks
- Becoming abusive to others

If you are concerned about any of the above, perhaps your child is displaying some or all of the above having played with friends in their community or online please get in contact with me so we can support you.

Warmer Weather

Now the weather is warmer please ensure your child/ward attends with a drink, suncream and sun hat. Pupils who are not in appropriate clothing are not able to access their offsite activities due to the risks involved.

Pupil 'Safe Survey'

This week we conducted a survey with our pupils to find out if they felt safe in school. 100% of our pupils stated they felt safe whilst in school. 100% also stated that when others needed support their team kept them safe too.
