Football

As part of our commitment to supporting the emotional wellbeing of all our pupils, we would like to remind you that we are a non-football school. We kindly ask that children do not bring footballs or football related items into school.

For some pupils, football can lead to very big feelings- both excitement and frustration- which can be difficult to manage during the school day. By creating a more predictable and calmer environment, we can better support everyone to feel safe, regulated, and ready to learn.

We appreciate your understanding and support in helping us maintain a nurturing and therapeutic space for all children.

If you have any questions, please do get in touch.
