LIFE AT SCHOOL THIS WEEK!

Monday

Harry loved making chocolate chip cookies with Tineke - he had to use lots of skills: folding, sieving, weighing and tempering chocolate.

Tuesday

During their session at the gym the Tuesday group recapped the importance of an appropriate warm-up before exercise and a cool-down following the workout.

WOW Wednesday

The GCSE group have been completing a practical investigating how surface area affects reactions rates applying their knowledge of collision theory to back up predictions.

Thursday

Jacob was back using the outdoor gym with a plan he created last week - this week working on sets and repetitions learning how to develop the different muscle groups

Friday

Cherry class have been busy working on their presentations for their speaking and listening presentations so that they are prepared for when the exams come around in November.

CURRICULUM INFORMATION

Acorn swimming groups have been building water confidence and pool safety with structured games from our swim teachers.

Maple class have been learning about water displacement with some hands-on experiments with floating and sinking

Our climbers have been scaling new heights and beating their personal best!

The outdoor gym is still a big hit during breaktimes .

Down at Shutelake Farm Pheonix has been picking apples to turn into fresh juice

For working so hard to be in his learning space and making positive choices.

Darren Jackson (Operations Director & Safeguarding Lead) 0330 135 8135 out of hours 07587747868

Pupil Voice

- 100% of pupils asked said they knew who to ask for help if they needed it.
- 100% of children said they have friends and people they can spend time with at school
- 100% of children said they knew their routines and expectations in their classroom space for the new academic year.

We are collecting for our annual Harvest Foodbank donations for the local community. Please bring your donation of dried or tinned foods, toiletries or pet food to school on the Friday 9th October
