

PRIMARY CURRICULUM

Our KS2 Students are taught in mixed age classes and the curriculum is a thematic, topic based curriculum and incorporates all core subjects and follows the KS1 (where applicable), KS2 and KS3 National Curriculum objectives to ensure all areas are covered.

Alongside this cross curricular approach, we offer discrete intervention to support learning in numeracy and literacy on order to enable Students to fill in gaps in their learning and understanding and meet individual need.

Lesson plans are carefully differentiated within each class so that every Student's needs are met. The curriculum is designed on a 2-year rolling programme so that Students don't revisit the same areas of the curriculum.

All KS2 Students also have access to the ASDAN personal and social development programmes which are linked to the PSHE and citizenship curriculum; social and emotional aspects of learning; enrichment; and personal skill development.
