Newsletter March 2023

The pupils from Towy have been enjoying their weekly visit to the farm, and are always eager to feed and pet the animals. They have also learned the importance of washing hands before and after petting them.

Ben from Rhymney class went shopping yesterday for his cooking ingredients. He did well by taking responsibility of the trolley and helping to find the items we were looking for.

Congratulations Toby for receiving an award for your 8 weeks Twister's course. You have learnt many new skills on the trampoline.

A day in the life at Ysgol Tŷ Monmouth

Creative Corner

Nachos

Well done, Monnow. Each week you have been planning, budgeting, shopping for and preparing delicious food! Such an achievement to go through the whole process...great life skills too!

Want to try this delicious recipe?

Pupil's Voice

We are so proud to introduce our new sports ambassador from Cynon class. Ethan is very keen on organising lots of fun new games for the rest of the pupils to enjoy, and share his sports skills with everyone at the school.
Ethan also created a proposal to request more sporting equipment at a recent governance meeting. The big bosses agreed, so watch this space!

Health and Wellbeing

Both the staff and pupils loved the time when the garden was covered in snow, and of course a snowball fight had to take place! They also built a snowman and made the occasional snow angel. Sensory play at its best!

Did you Know?

Cleopatra lived closer to the making of the first iPhone than the pyramids.
