Newsletter May 2023

The pupils from Towy have kick started their week exploring food from the Earth, and loads of healthy options. Some pupils were impressed when they tried vegetarian sausages and even more surprised to find out they were plant based.

This week Ben has been looking at sugar and the effects it can have if we consume too much. As part of our fitness and fun theme, we have decided to make our own rice Krispie squares as an alternative snack to chocolate buttons as we discovered the sugar content is less!

Take a look at the wonderfull work and creativity of our young student from Monnow class. The school is so proud for having such talented pupils at the school, keep up the good work Seren, cant wait to see your future projects!

A day in the life at Ysgol Tŷ Monmouth

Creative Corner

This week Ruby from Cynon class has showed amazing creative skills, making the school's bug house look pretty and welcoming for our little garden friends. The school has even set up a night camera to try and catch live footage of our local wildlife. So exciting!

Pupil's Voice

During last week's assembly, pupils came up with a wide range of game suggestions that we can all play during playtime and every single suggestion is wonderful! We can now come up with a plan on how we can choose one game a day out of the list. We are all excited to share to everyone our playing adventure! Stay tuned!

Health and Wellbeing

What a way to celebrate the coronation party! Staff and pupils enjoyed a wide selection of games, such as Connect four, Jenga, pin the crown on the King... And all pupils enjoyed setting up this event, from getting the food and drinks to hosting the party.

Did you Know?

Did you know the Eiffel Tower grows taller every summer and shrinks back in winter?!
