Newsletter June 2023

This Week, Cynon class made delicious burgers.

I wish you guys could have smelled the aroma from the kitchen, it was fantastic! Well done to Cynon class for the amazing measuring skills and the attention to details when following the recipe.

What an adventurous week Towy is having!

Going along this terms "Festivals" theme, Towy is exploring the pizza festival and learning all about the origin of this delicious food and even made their own dough.
Well done!

Guess who came this week for a visit at the school?

The pupils and staff had so much fun meeting our two new, little friends. "Chewy" the puppy and "Donatello" the tortoise.
We hope to see them again soon!

A day in the life at Ysgol Tŷ Monmouth

Creative Corner

Today the pupils from Towy class, have demonstrated amazing creative skills by designing their own water bottle using the "Crycut" machine, which they really enjoyed!
Well done to all three of you for such amazing work!

Pupil Voice

We have had the pleasure to visit the Cardiff and Vale college this week, for our second-year visit and it never disappoints.

Pupils enjoyed a wide selection of games and sports, whilst making new friends with other schools that were also present on the day. What a day it was! Full of laughter and fun.

Health and Wellbeing

To celebrate the last day of term, the school enjoyed a very well-deserved breakfast together, to gain energy before the big indoor hide and seek game.
This was followed by a day full of fun and challenges in the garden.
Well done to everyone!

Did you Know?

There are more stars in space than there are grains of sand on a beach.

Summer holidays countdown: 5 Weeks
