Math's and Numeracy Curriculum Journey: Nurture

Reached a roadblock?

1. **Ask for help,**
2. **Get a good night's sleep,**
3. **Use your zones strategies.**

Back on track…

Next Steps

1.Consolidate

2.Extend

3.Prepare to Flourish

Extend learning through the introduction of new concepts to prepare for the next stage of proficiency (for example, algebra, fractions)

Apply

Applying skills across contexts, themes and in the community.

Review and reflect.

Creativity

Frameworks

In real life

Consolidate

Geometry focuses on relationships involving shape, space and position, and measurement focuses on quantifying phenomena in the physical world.

Time

Shape

Movement, direction

Explore

Statistics represent data, probability models chance, and both support informed inferences and decisions.

Data collection

Representing

Interpretation

Engage

The number system is used to represent and compare relationships between numbers and quantities.

Money

Arithmetic

Counting

Attend

Start your journey:

Transition, strengths and support needs, interests, themes! Set individual learning targets and take them on your journey.
