Neath class have been looking at famous inventors as part of their "Humanities" lesson. They used "Wordwall" to do some anagrams of inventor's names with some clues to help them. Josh then went on to put his research skills into practice and created a short presentation on "The History of Nintendo".

Well done Neath class!

A week later and both the playground floor and forest school area are completed. The pupils have done an amazing job at helping caretakers Paul and Mark with this project. Well done!
