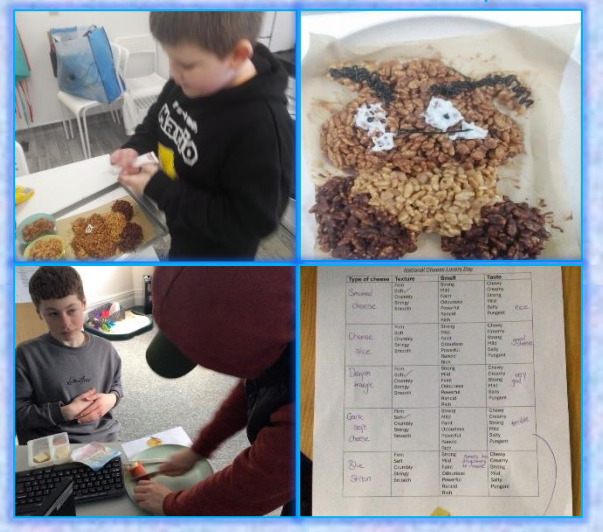
Neath class doing some vocational work to make their price list for the weekly tuck shop. Rhys did an online shop and got all the snacks for the term, and they looked at how much they spent on each item as a class. Then, figured out how many packs they bought, how much each individual item cost and worked out a selling price for each item to make a profit for their end of term trip. Well done Neath class and good luck for the tuck shop!



Ebbw class have been exploring food.

Tyler made a "Goomba" (Character from Mario) out of Rice Crispy cakes. He managed to make the different colours by mixing different quantities of chocolates.

Whilst Jayden joined Neath class on their cheese tasting session, which was fun.

Both Jayden and Jerry have been working hard, helping the caretakers to put down the rubber floor, by levelling the floor and fitting the rubber mats so all pupils can safely play outside, especially in the rainier days.

Creative Corner

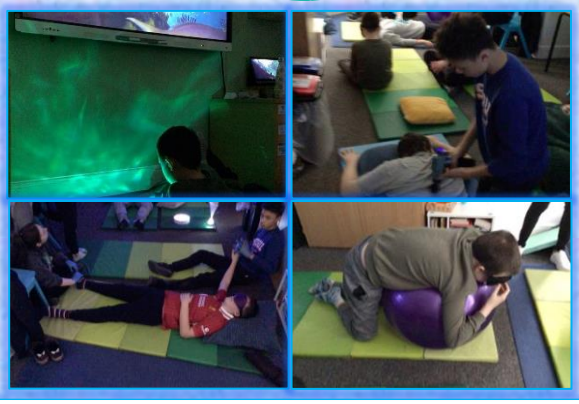
Toby from Monnow class, has made this delicious dish, Chicken with green beans, Potatoes and kale, with a touch of lemon, and team members really enjoyed having a little taste, it was delicious!

You are a good cook, well done Toby!

Pupil Voice

This term in 1-1 Speech and Language Therapy sessions, Ben has been learning about strategies which can support with his anxiety. This week he was introduced to 'size of problem'. We discussed possible problems which could happen and how we would categorise them according to size of problem criteria. Ben really enjoyed reading through and discussing personalised scenarios and said he would like to carry on next week. Ben you should be proud of your hard work and engagement this week. See you next Wednesday!

Health and Wellbeing



On Friday mornings Towy class enjoy sensory time! Recently, they have been focused on creating calming sensory circuits. Team members use the time to offer hand, back and feet message to promote health and well-being within class as well as soft mats and sleep masks to help our pupils relax. Towy also use a variety of equipment from infinity mirrors to fitness balls! They even have a projector and soft sensory lights to set the mood. It's a great opportunity to slow down and take a breath. Good job, everyone!
