March 2025

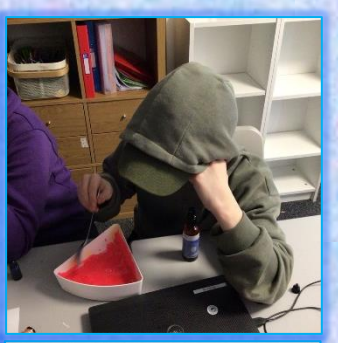
For this term's topic 'STEAM', Neath Class looked at creating their own "Gumdrop Dome". They followed a set of instructions to create their own "Gumdrop Dome". Pupil Rhys has decided that he would like to make Big Ben next week, using different sweets such as fruit pastilles, wine gums and longer sticks.

This week in Speech and Language Therapy we recapped some of our letter shapes and sounds using Playdough. Kye enjoyed moulding the shape of the letters and playing a barrier game. We also did some syllable stamping- the colourful blocks are a useful visual tool to help Kye to remember how many beats are in each word as we say the words aloud. Well done Kye!

To celebrate this year's International Women's Day, Towy class did a fun and informative activity! Including a range of inspirational women throughout history, our pupils played a special edition of 'Guess Who'. While playing along and having fun, they were learning lots of cool, new information! It was great!

A day in the life at Ysgol Tŷ Monmouth

Creative Corner



This week we touched on the importance of hand washing and how/when we should do this. We spoke about bacteria and what happens when we don't wash our hands or wash them properly. We did a small science experiment with pepper, soap and water to show how soap works and followed a set of instructions to make our own soap, and they look really good!

Pupil Voice

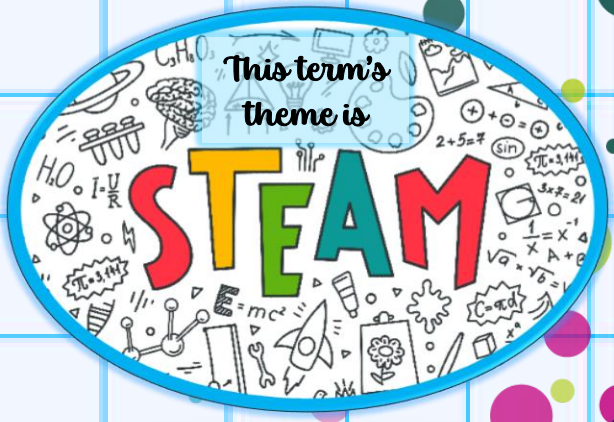
We have had so much fun last week celebrating "World Book Day" Since last year's celebration went really well, we all decided to do it again and dress up as a "Tier 4 word" of our choice, a word that is new to us or that we don't really know the meaning of. Some of the words chosen, were very new to some of us. It wasn't only such a fun way to celebrate World book Day, but also to learn new words. We even held a little competition with "Most Creative Word" and "Most Creative Costume" Well done all!

Health and Wellbeing

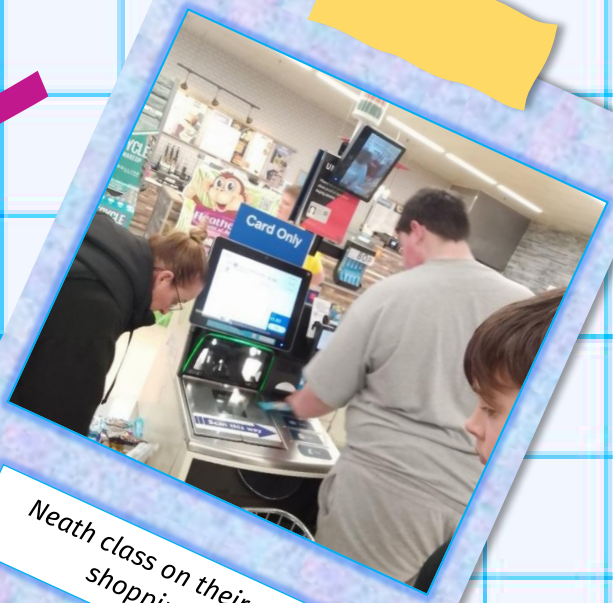
Today Mahoney and Elsie looked at cleaning and grooming the horse, they then rode around with an assistant holding the reins until they did it "solo", and even got to walk the horse back to it's stable. It was amazing to see ow calm and nice they were with the horses, but most of all, such amazing riders!

Did you Know?

"Did you know that It took the creator of the Rubik's Cube, Erno Rubik, one month to solve the cube after creating it? As of June 2018, the world record is 4.22 seconds!" ...



Pupil of the week this week goes too... Mahoney!



Neath class on their weekly shopping trip.

Team members of the week this week goes to... Luke and Kerry!

Work of the week this week goes to... Ruby and Ben!

Mahoney made this costume all by herself for "World Book Day" the chosen word was "Pest".

Proud Cloud...

This week we are proud of Jayden for engaging in a wide range of activities and lessons...

well done!
