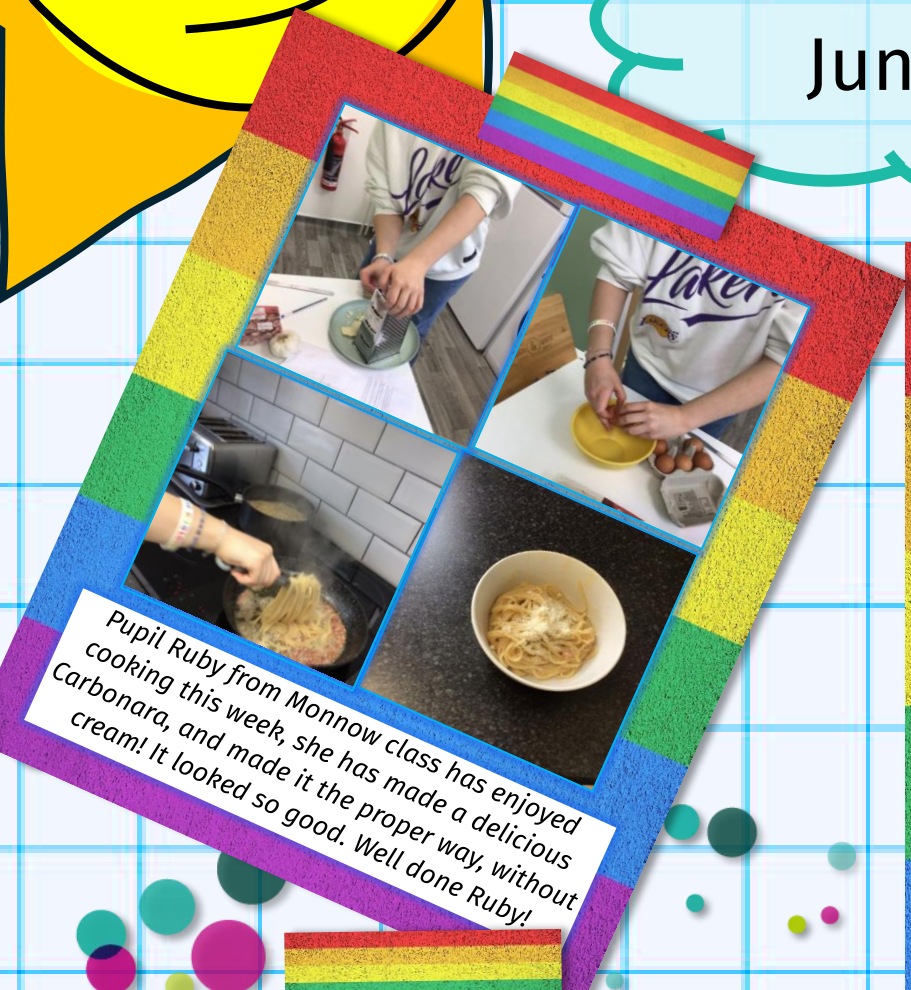
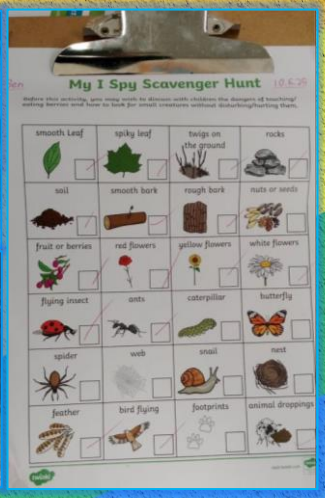
June 2025



Pupil Ruby from Monnow class has enjoyed cooking this week, she has made a delicious Carbonara, and made it the proper way, without cream! It looked so good. Well done Ruby!

Towy class had a super cool science lesson! They made...giant bubbles! Firstly, they looked at the different stages of the scientific method and familiarised themselves with the question, hypothesis, experiment, conclusion etc. Pupils were given three different methods to make bubbles and were asked to choose which option they thought would work best to create the best result. In the second part, they took the ingredients/equipment outside and tried each different method. Towy worked as a group to follow each step of the instructions to create beautiful giant bubbles! Good job, Towy!



This week, Ben has enjoyed completing his scavenger hunt during a visit to the park, Ben paid attention to every little detail and managed to find most of the things listed.

Well done Ben!

A day in the life at Ysgol Tŷ Monmouth

Creative Corner

Josh from Neath class has made this beautiful painting using only a few colours and some flowers and plants that he chose from the garden, and the result is beautiful!

There are a few team members wanting to hang it in their classrooms!

Well done Josh! It is truly a lovely painting.

Pupil Voice

This week's Duke of Edinburgh session, Toby and Ethan learnt how to use a camping stove in preparation to the expedition. They chose to cook chicken curry, and they did amazing! They got the hang of using the stove quiet quickly and they really enjoyed the curry afterwards.

Well done guys!

Health and Wellbeing

This week Richard and Rowan from Towy class, were getting to grips with this term's new topic for people and places, "Biodiversity and Ecosystems". They both used a laptop to create a cover page, using the internet to find relevant pictures! In the second part of their session, they played a game based on different ways we can be eco-friendly and help the planet! Great participation from both! Well done!

Did you Know?

"Did you know that It's scientifically proven that hiking can make you happier!? Research has shown that hiking can positively combat symptoms of stress and anxiety. ...

Pupil of the week this week goes to... Josh!

Class Ebbw's pride wall looks amazing!

Team member of the week this week goes to... Sam!

Work of the week this week goes to... Rhys!

The pupils from Monnow class have enjoyed their visit to the range.

Proud Cloud...

This week we are proud of Sam for all her hard work and all the kindness she has shown everybody at the school, it has been a pleasure and a privilege to work with you, we wish you all the best...
