Newsletter December 2025

Dosbarth Towy celebrated National Tree Week by learning all about the benefits of trees and exploring the different species in our playground using the Tree ID app. Pupils then worked together to plant their own tree in school.

Tyler created a sensory scene including an ice skating rink for his villagers. Tyler cut out paper and made his own snow. He then add a small community for Santa and his reindeers. What else can you spot in our very own little North Pole at Ysgol Tŷ Monmouth?

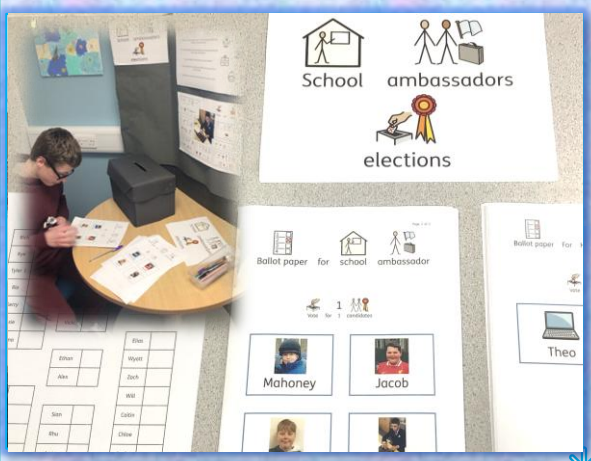
Theo and Jerry have been gathering pupils votes for which charity they will be donating all money made at the Winter Fayre. The Winter Fayre takes place on Tuesday, and we have a plethora of wonderful crafts for sale.

A day in the life at Ysgol Tŷ Monmouth

Creative Corner

Pupils have been busy crafting beautifully fragrant winter soaps for the fayre! Using widget symbol instructions with pictures, they followed each step with creativity and care. The result? Fabulous soaps that smell as magical as the season itself.

Pupil Voice



Pupils held a ballot for our new school ambassadors, each pupil who was running wrote a manifesto to help pupils to decide who would be best fit. Diolch Theo, Jerry and Towy for organising and running the event.

Health and Wellbeing

Dosbarth Neath visited Cardiff Castle and went Ice Skating. What a lovely way to end the term with some festive activities and food!

Did you Know?

The Welsh name for Father Christmas is **Siôn Corn.** The name translates as "Chimney Pot John" or "John Stack" – as in corn simne (chimney stack), referencing the way he enters homes *via the chimney*.
