Head Teacher's Update

A busy week this week at Petherton Park School. This week has been Humanities week and the students have had the opportunity to make a wind vane, a rain gauge and an erupting volcano!!! Check out the pictures.

Further, students have engaged well with some SMSC activities around culture and families. Focused on mental health awareness week and produced some great academic work around these areas. Our students ended their week with a trip to the Fleet Arm Air Museum.

Have a great weekend!
