6	05/06/23	20/07/23 12pm finish

Next week is sports week – please have trainers in school to be able to participate in the activities

Deputy Head Teacher's Update

We have had a great, busy week at Petherton Park School. The students have tried some new activities this week, including Talk for Writing English, jewellery making, and riding their bikes on a pump track! It has been great to see engagement in new activities and watching the students thrive in areas they enjoy. As well as trying new things, our 14-16 Links college students have successfully completed their courses for this year! A huge well done to all these students as they have flourished in a college setting, persevered through challenges, and attended their courses throughout the school year. Ryan and Oscar have also attended taster sessions to join new courses from September.

Sam: Multi Skills (plumbing, electrical and carpentry producing a great box to take home)

Oscar and Ryan: Motor Vehicle (brakes, spark plugs gears and requirements to pass an MOT)

Josh: Catering and Hospitality (cooking and baking different foods as well as presentation skills)

This week at Petherton Park

Golden time this week included students bowling and fishing
