Head Teacher's Update

Welcome back everyone and hope you had a great summer. It's been a brilliant first few days back in school with lots of new faces in the classes, both students and staff. The students have managed this so well and have been making big efforts to build relationships with each other. We have seen new groupings in the rooms and the students have been working out how they want their learning spaces to look and working with staff to budget and order new materials and items.

There has been some amazing Maths, PE, English, PSHE, and Art happening as well as some exciting designs for personalised clocks.

Overall, it has been a really great week and it has been so nice to see all the students back after such a long break. We also received updates from Sam and Josh (our leavers last year) and they are both absolutely smashing it, so that was awesome to hear as well!

This week at Petherton Park

Swimming will continue to be on a Tuesday this year – please can all students have their swimming kit (including goggles) in school on Tuesdays.
