Head Teacher's Update

This week has been a bit like the weather, with some great spells and some slightly trickier ones! The students are still getting to know each other, and we have had some brilliant interactions across classes. We welcomed Ruby this week to the school, and she is settling really well. Tyler has been working on a bike down in the barn, Jess has been learning some rugby skills and as ever the school has been filled with some amazing smells coming from the kitchen. For Golden Time this week some of the students decided to visit St. Gile's animal centre and meet some furry friends as well as hear from the Vet about what working with animals every day is like. Next week we have our lockdown drill on Monday at 10am (something all the students have been made aware of) and reflecting on a good 6 weeks before a restful half term break.

Have a great weekend everyone, Sam

This week at Petherton Park
