Head Teacher's Update

Another busy week at Petherton Park with cooking, outdoor play, barn work and many positive classroom interactions to name a few. We finished the week with VR (virtual reality) for our golden time which all students thoroughly enjoyed!

There has been lots of progress in the barn with student's individual projects all coming along really well; Ryan is making a bike store, Bobby is fixing up a bike and Re'uven is renovating a desk!

We look forward to another positive week and wish you a relaxing weekend.
