Head Teacher's Update

A positive first week back at school, welcoming all the students on their return. We have been re-focusing on building relationships this week, with a vast array of activities taking place across the week - both on and off-site. Some of the guys finished off the week with a trip to Kilve beach and managed to discover some superb fossils.... stuck in my office trawling through paperwork I was a bit jealous to be honest.

We have also welcomed Harriet to the team this week and she has made a really positive start. We look forward to seeing her positive impact and we move into the term.
