Head Teacher's Update

Busy week this week, in the middle of term but the pupils have engaged in lots of eductional activites. You may have noticed changes to your young persons timetable, and this has been due to a review of their day to day activities ensuring we are reaching their full potiential. This may mean they have at times been offsite and very active, but it may also be that they have been having intensive lessons with the classroom setting. As examples of this some students have experience sensory and movement stimulas, whilst others had intensive maths lessons. There are two issues I would like to address this week:

1) Vapying paraphernalia is prohibited from site but is been bought in and exchanged between students, please may is ask you to be vigilant as we will endeavour to uphold our policy here.

2) Viewing and access internet site not appropriate. Understanding online saftey is tricky for all ages – we are happy to provide / point you to guides / material to help you learn about staying safe online

FutureSmartCareers

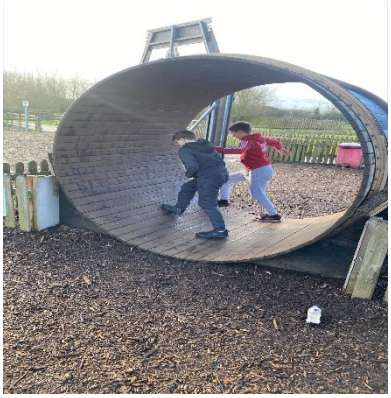
Great week on our careers front, Kelly from "Future Smart Careers" came to our students to speak to our students about their future aspirations, brilliant feedback from all – Smashed it!

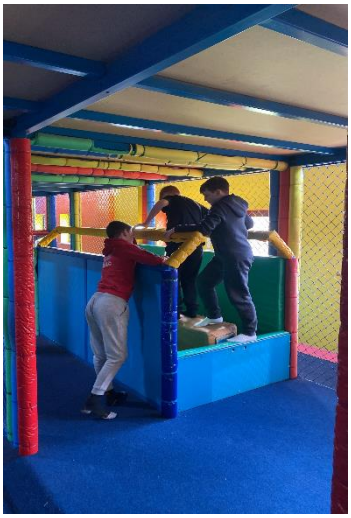
This week at Petherton Park

Freddie Making Shortbread

petherton parkschool
> INSPIRING LEARNING

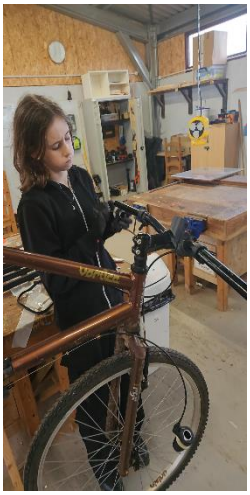
Trip to Puxton Park



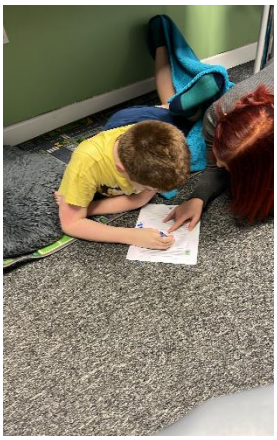


Trip to Kilve Beach

Ongoing Projects



Enjoying Some English



Building Friendships

Ready Steady Cook

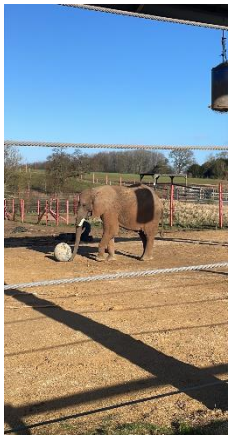
Slice of Haven

Finding some peace



Additional Information

Packed lunches - We encourage the children to eat healthily as the right kind of food will help the brain to learn and the body to feel energetic. A suggested packed lunch would contain a sandwich/pasta, two pieces of fruit and additional snacks. The kitchen facilities can also be accessed to make warm lunches out of scheduled sessions. Water and squash is available for all children throughout the day.

Lunchtime is seen as an important social activity in our school and the children eat together with their friends.

Drinks brought to school should either be in plastic bottles, plastic flasks or in the card cartons. For reasons of safety, glass bottles or containers should not be brought to school.
