Head Teacher's Update

A busy week at Petherton Park with a variety of academic and enrichment activities taking place. This week we have seen student interaction improving, with students working in some different groupings to usual and engaging in team games and activities. There has been collaborative artwork, games of chess, trips to the skate park, Puxton Park, and the creating of musical beats! The end of the week saw a trip to Tynings Trekking Centre, where many of our students were extremely brave and enjoyed a walk, trot and even a canter on some horses.

I do, however, have some news that I need to share. I have shared this with the students on site today, but wanted to make sure everyone was aware. Next week will be my final week at Petherton Park as after the Easter holidays I will be leaving. I have thoroughly enjoyed working at Petherton Park and working with all the students here. I would like to extend my thanks to all the parents that I have worked with over the last couple of years. It has been a pleasure to work so closely with you all and support your children.

Have a lovely weekend.

Nicola Bond

This week at Petherton Park

Staying positive – working hard and making it happen!!!
