Wednesday

Learning skills for life.

Successfully making a Chicken, Aubergine and smoked mash potatoes!

Thursday

Changing things up

The pupils put on their logical hats on for their physical education with a round of crazy golf.

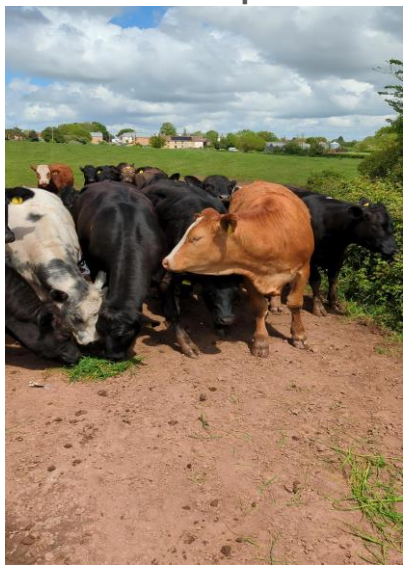
Friday

Golden Time

Pupils had the choice of Canal Paddleboarding or the Escape Room and what a beautiful sunny day to end the week on.

CURRICULUM INFORMATION

New term explained

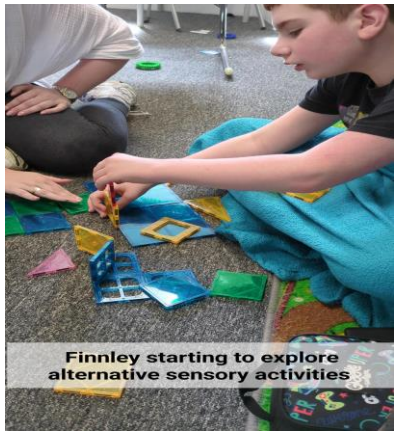


This term our children will be working towards new topic in 'Sow, Grow and Farm' as part of their Geography curriculum. In Science they will be exploring light and sound. The pupils are currently working their way through functions skills within English and Maths.

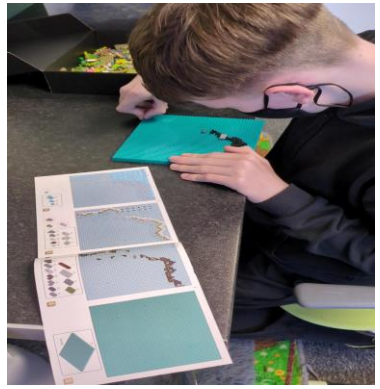
PE this week was a bike a ride in Brean, Burnham-on-sea, enjoying the freedom

The pupils are enjoying engagement over the new selection of board games!

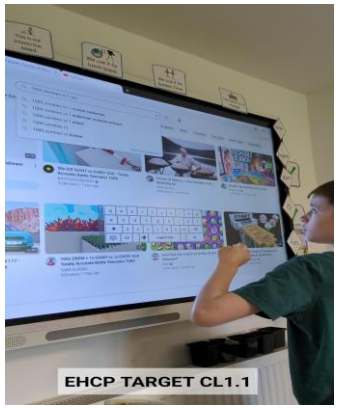
Finnley enjoying the sensory aspect of learning!



Individual projects, this one make take some time.

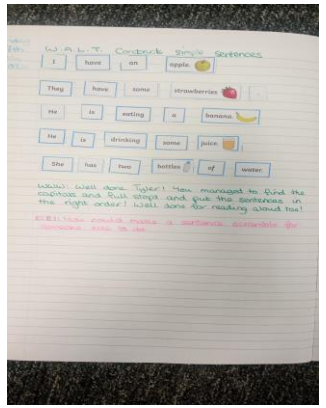


Focusing on their co-ordination skills and praying they get holes in one.

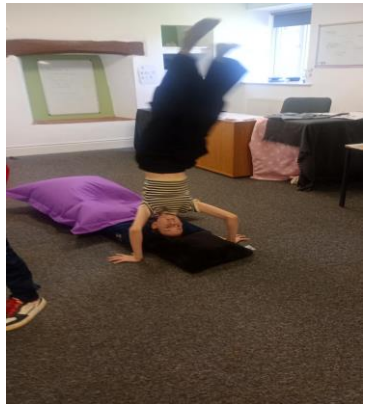


Freddie working towards his EHCP targets while having doing so. Learning is fun!

Horse riding the students worked on trotting over poles, balancing with one hand on their heads



Tyler producing some really good English work this week.



Lexi getting her morning stretch in with some free movement.

Creating their own game to play in the sun, enjoying the garden.

Head Teacher Update

A mixed week of weather but a positive one throughout the school. We have done some activities this week that have helped us face our fears, and overcome our anxiety. Kai has been horse riding again and Freddie managed the escape room. Activities such as this provide opportunities for personal development, and this is a key strand of our provision.

Within class groups there has been some intense game playing this week, with Monopoly, Bingo and Rummikin happening. Practicing concentration, numeracy and learning to win and lose are all valuable for life!

Have a great weekend all, Sam

Do you have any old farming artefacts?

Our pupils are learning all about the food they eat and farming, we would love to show them some old farming artefacts if you have any at home (we promise to keep them safe) i.e. horseshoes, old pieces of equipment etc
